**Tip:** you can type skip:X to avoid/hide the first X results

**Warning:** You won't be able to find old draws (draws before 2017-04-30 00:00 GMT).

**Please, do not harass people if they may have skipped you.** This checker page is here to ensure that there is no big scam with a specific giveaway. It would be a shame if transparency would lead to unceasing reproaches against giveaway organizers. Please also keep in mind that some giveaways organizers are not using our site/tools to draw their winners ; if so, please ask them which site/tool they use, then you could tell them about our transparent alternative (without forcing them to use it).

Somebody did a draw on your tweets? You can now ask us to forbid & prevent people from drawing through your tweets.

Send a direct message to @TWren\_ch ([//twitter.com/TWren\\_ch](https://twitter.com/TWren_ch)) from the related account, asking for a draw restriction. You may provide a list of allowed users if you want to allow specific accounts to draw from your tweets.
